# **Introduction**

## **About the College**

Bongaigaon B.Ed. College, Bongaigaon is located in a scenic spot at the foothill of the renowned Bageswari Temple, a famous shaktipeeth connected with myriad legend and myths. A road connected with Bageswari temple legend to the college site where one can reach there with locally available conveyances at all weather. Again Bongaigaon itself is a famous place having its manifold importance in the Lower Assam well-connected with both road and rail facilities. As to how this benign institution came into being we are to narrate a few words as below for its background and its present setup.

In the last part of the twentieth century the idea of establishing a B.Ed College at Bongaigaon haunted the minds of the senior educated professional, elites and social workers of repute in the locality at the spectacular dearth of trained teachers of the vast areas of Lower Assam in its adjacent states that deters the real standard to cope with the present situation. To materialize the concept into practice a public meeting was held on the 17<sup>th</sup> December, 1989 in the Birjhora H.S Hall under the presidentship of late Binanda Chandra Pathak, Retd. H.M of school where Sri Phani Bhushan Choudhury, M.L.A. and our beloved young leaders spearheaded the same as convener; understanding all possible measures to start such college immediately from the next academic year 1990. Various educationists, social activist and all senior citizens joined their hands together or cater to the need of trained researches. After there were discussion besides patrons a strong Executive Body was formed in the meeting where Sri Phani Bhushan Choudhury was elected the president, Sri Lakshmi Kanta Ray as its Secretary and Sri Rajani Kanta Barman as Working Secretary. Traditionally the Bongaigaon B-Ed. College was started on August 31, 1990 in the campus of the Birjhora H.S School at the instance of 'hatch' to all other higher educational institutions since the beginning of the Bongaigaon B.Ed College, Our College got a host of able and devoted hands at the initial stage, A renowned educationalist Late Dr.Biswanath Lahiri adored the chair of the founder Principal where Late Kanak Ch.Sarma took over charges of maintaining all records and accounts of the College. Late TaraniKanta Singha undertook the various responsible works like collecting data and to assimilate some departmental works with the officials. Dr. Mrigen Das, Principal, Birjhora Mahavidyalaya convinced the then Inspector of College, G. U. Mr. B. Talukdar who was deputed to report the findings to start such college and thanks to his favourable report for which we obtained temporary affiliation from the G.U. vide Memo No. GU./Aff/2023/6949-52 Dt. 09/08/2023 of the Registrar, G.U. since then our college progressing through wear and tear of time overcoming various obstacles, either economical or academical or such other difficulties with the help and co-operation of the present management and the staff-both teaching and non-teaching.

In the beginning the enormous rush of aspiring graduate and post graduates for admission compelling to select 150 trainees at the instance of the in evening shift where many working teachers also got the chance for such training. Later the NCTE came as an apex body in the field of such training on all India basis and set some terms and conditions. Of course, in the meantime we obtained six bighas of land from the Gout. To construct our own building maintaining Directions of the NCTE. Now we are to follow the directions NCTE on academic matters, management and administrative matters in day shift to carry out all norms with proper affiliation and recognition of the G. U. and NCTE respectively.

The College authority arranged recruitment of the teaching staff having requisite norms allowing state Govt. Scale of pay with various hardships depending mainly on donations and college fees etc. The M.L.A helps us a lot to make the road towards the college from the B.I Road available for all conveyance on all weather. However our college has overcome various obstacles by making available men and in fulfilling the hope and aspiration of the entire areas covered under its jurisdiction by the G. U. and NCTE with 100 intake capacity at present to ride on the real track having brilliant results for Years together for which we can really boast of.

Bongaigaon B.Ed College in compliance with national education policy 2020 moved forwarded to open B.A. (IDC) Arts Course in this college. For the same purpose the Gauhati University has accorded us to open the same course from the session 2021-22. Now the FIUGP for Minor Course is introduced in the Bongaigaon B.Ed. College under Gauhati University.

## From the Principal's Desk

**Dr. Madhusudhan Adhikary**

Teaching is a dynamic process. The modern system of education asserts different challenges before the teachers. No teacher can survive in this dynamic profession without equipping himself with a variety of skills and qualities which improve knowledge, ability and quality.

Creative learning is a vital part of modern progressive educational system. For this dynamic process of learning requires new ideas and innovative thinking. Therefore, it is very important and essential for the students always allowed to learn newer vistas of learning.

It is our effort that, the College of Education, Boko provides dynamic process of learning to train, equip and furnish the trainee teachers to fulfill the expectations of the modern society. I hope that the teachers will become role models to the future citizens of the nation.

My best wishes to the governing body members, teachers, officials, students and peoples for their heart-felt enthusiasm and assiduousness.
